MEMORANDUM FOR: D/ICS

VIA: DD/ICS
C/SC

FROM: [REDACTED]
Chief, Legislative Liaison

SUBJECT: Correspondence for the DCI's Signature Transmitting Copies of
Phase II of the Future SIGINT Capabilities Study to Congress

1. Attached for your review, and approval is the subject correspondence. This action is prompted by a request from SSCI staffer Keith Hall, who called on 19 September to ascertain the current status of the Phase II FSCS study and to request a copy if complete. [REDACTED]

2. Please note that the attached correspondence makes no reference to the various follow-up efforts, beyond Phase II, that are now underway. There is really no need to get into this for the purpose at hand, and rather than formally acknowledging these efforts in the attached letters at this time, this subject might be better left to informal discussions between [REDACTED] and the staffers.
